

How to Email a BytePro File:

To Email a BytePro file to your processor

(only if you use Outlook or Outlook Express for email):

1. Go into the file you wish to send.
2. Go under File (found in top left corner).
3. Click on Email Current Loan File.
4. An email will open automatically with the file attached.
5. Enter acraig@americanfreedomgroup.com in the To: section and click Send.
